Shipping and Handling

Minimum Charge	\$14.00
Buffalograss	19%
Bella	19%
Zoysia & Blue Grama	19%

Plugs Needed Calculation

Instructions

1. Measure area to be plugged to find sq ft.
2. Multiply sq ft by number correlating with desired spacing to find plug total.
3. Take plug total and divide by number of plugs per tray to find tray total.

Spacing Desired # to Multiply By

18" on center	0.44
15" on center	0.64
12" on center	1.00
9" on center	1.78
6" on center	4.00

Planting Dates

Zones	Estimated Planting Dates
Zone 11	February 15 through November 15
Zone 10	February 15 through November 1
Zone 9	March 10 through October 15
Zone 8	March 15 through October 15
Zone 7	April 1 through October 1
Zone 6	April 20 through September 15
Zone 5	May 1 through September 10
Zone 4	May 1 through September 1
Zone 3	May 10 through August 20
Zone 2	May 20 through August 1
